

The image shows a page layout diagram. A large white rectangle represents the page, with a light blue rectangle inside it representing the maximum printing area. The text "Max printing area 180x220 mm" is centered within the blue area. A vertical dashed green line is on the left side of the page, and a solid green line is on the right side. The top and bottom edges of the page are also marked with green lines.

Max printing area 180x220 mm

The diagram illustrates a page layout with a light blue rectangular area representing the maximum printing area. This area is centered on the page and contains the text "Max printing area 180x180 mm". To the left of the blue area, there is a vertical dashed line. The entire page is enclosed in a green border. On the left side, there are diagonal lines forming a triangular shape, and on the right side, there is a white area with a diagonal line at the top and bottom, suggesting a fold or a specific margin.
